Notebook Driver Upgrade

You have indicated that Verizon Wireless is your wireless data service provider for your AirCard 300.

- Please contact Verizon Wireless at **1-800-308-3282** to ensure you are subscribed to the appropriate service plan for your AirCard 300, for use with a notebook.
- Once you have done this, Verizon Wireless will provide you with a Notebook Driver Upgrade access code.
- Enter the Access Code provided to you by Verizon Wireless to continue with your Windows Notebook Upgrade purchase.

Please enter the ESN as it appears on the back of your AirCard300:

Enter the driver upgrade pass code, provided by your carrier:
